

POWELL BARNETT LEGACY PARK

NEIGHBORHOOD ADVENTURE

PROPOSED PARK IMPROVEMENTS

Seattle Parks Department Maintenance & Improvements Scope

Pathways: widen asphalt and resurface, improve drainage at path edges

Play Meadow: amend soil with sand and reseed

Planting: remove invasive species and restore planting on steep slopes

Bathroom: phase replacement

Powell Barnett Legacy Committee Park Improvements

Grassy Berms: resculpt/lower berms at street

Park Entries: widen and enhance, add signage, art and lighting

Park Plaza: concrete plaza area connected to entry walks and perimeter paths

Site Furniture: add picnic and game tables, trash receptacles, lighting and benches

Playground Elements:

Enlarge playground

Relocate existing spider web climber

Separate age appropriate spaces for toddlers (2-5 yrs) and older children (5-12 yrs)

Non-traditional play and environmental education areas with climbing boulder, stones, logs, etc.

Paint/resurface wading pool basin for year round interest/play value

Seatwalls adjacent to play areas
